Thus, applicant respectfully submits that Grochowski does not indeed teach a replay system to replay an altered instruction formed from changing said original instruction if the execution unit executes the instruction erroneously.

5 Applicants submit that all claims now pending are in condition for allowance at least due to their dependency on an allowable base claim. Such action is earnestly solicited at the earliest possible date. If there is a deficiency in fees, please charge our Deposit Acct. No. 02-2666.
